

There really is a big difference between living in a black and white world versus living in a world in full color. We love color and all that it brings. Color makes all the difference. The problem is finding the right shade of color to work for your project, your room, or your house. Trying to pick out that perfect shade of color that works well in the light you have, with the furniture you have, and that is pleasing to the eye can be stressful. The samples are overwhelming to look through.

As we open up the book of Romans, Paul wrote to the church (us) to let us know that God has given us the perfect color selections needed to help on the empty canvas of someone searching for some color and some saving in their lives.

The intent of this series is to provide the needed plan for helping followers of Jesus with conversations and the shades needed to help someone come to meet the master artist, Jesus, and to find their way into a relationship with them by using the book of Romans for help. Paul has selected the perfect shades to experience Jesus Christ **IN FULL COLOR**.

We call the period following a wedding “the honeymoon phase” for a reason—it’s temporary. What is marriage supposed to look like when those initial bursts of excitement give way to everyday troubles and routines? **Marriage Night** is an opportunity for us to offer our people principles for a lasting relationship while challenging them to see the greater purpose of marriage, namely, to glorify God and advance his gospel.

Marriage Night is designed to encourage husbands and wives with a refreshing vision for God-honoring relationships. Healthy marriages do not happen by accident. They require work and dedication, but with the busyness of life and the pressures of culture it’s easy to lose focus. Our hosting this event is an opportunity to provide our community with the truth they need to flourish in their relationships.

On May 17, 2019, thousands of people from around the world will join for a one-night simulcast event. They will laugh and learn with their spouses as they hear from marriage experts and discover how to honor God in their marriage. You have a chance to join in! On **Friday, June 7th, 7:00—10:00 PM**, Fairfield Church of Christ will host the first **Marriage Night** event in

partnership with RightNow Media. The live event will have already happened in Dallas, Texas, but FCC is bringing it to Fairfield, Ohio. **Marriage Night** is bringing together thousands of husbands, wives, and engaged couples to hear from Francis and Lisa Chan (*You and Me Forever*), Les and Leslie Parrott (*The Good Fight*), and comedian Michael Jr.

The cost is \$15/ person (\$30/couple). Childcare is available, but you must make reservations at the time of registration. Go to weRfcc.com to register today!

“... God has placed the parts in the body, every one of them, just as he wanted them to be. If they were all one part, where would the body be? As it is, there are many parts, but one body.”
1 Corinthians 12:18-20

One of the coolest parts about my job is getting to work with volunteers. People who give of their time to help make what we do every week happen. My favorite part is getting know people and the unique gifts they bring to the table and how those gifts can be used here. I’m constantly amazed at the talents and passions that God has given us here through our volunteers. It’s always fun for me when people thank me and tell me that they really enjoyed worship, because I know what I did was just a small part of what made it a good experience for them. There are so many other people involved that there is no way I can take credit for all of it, and it makes me super proud to see everyone work together to make things happen. Worship is just a small part of everything that happens here on Sunday mornings. We have fantastic children’s teachers, student sponsors, greeters, communion prep people and so many more that make this church an awesome place to be. Tons of people with different gifts and abilities coming together to serve and make Jesus known in our community.

We’re always looking for more help! If it was just up to our 5 staff members to get everything done, we wouldn’t get very far. If you’ve been looking for a place to serve or get plugged in here at church go check out www.werfcc.com/atchurch to get the conversation started! We’d love to help you find a place to connect!

Your Change will Change Lives

Sunday, June 2nd will be our monthly collection day for **Your Change will Change Lives**. Collection days are the first Sunday of each month.

Beginning with the March, 2019 collection day, the contributions to **Your Change will Change Lives** will go toward a new sign in front of the building.

Thanks to everyone who has been saving their change to change lives at FCC!

Building Debt Reduction Fundraiser

Having you been praying for a way you could help FCC's **Unleashed Debt Reduction** campaign that didn't require you to give money? Well here it is! We have the opportunity to fundraise at the WSO Tennis Event in Mason on August 6th – 18th, by helping in the kitchen prepping all the food. This is an opportunity for everyone age 18 to 75 (also a few 16/17 year old positions) to help reduce our building debt.

What does this mean? You will sign up to work either from 8:00 AM - 3:30 PM or 3:00 - 10:00 PM. You will be given a 20-30 minute break and a free meal during your shift. The rest of the time you will be on your feet helping to make salads, cutting fruits or vegetables, putting meat or cheese trays together, cutting up meat . . . whatever the chefs need help with. They will show you what you need to do. No experience required.

This can be a lot of fun especially when a group of people that know each other work together. Also, this is a great way to get to know other members of the church.

There are about 6 spots that can be filled by 16 or 17 year olds. These timeslots are 1:00 - 4:00 and 4:00 - 10:00 PM. This is in an all-inclusive area where they will help set-up, clean-up and maintain a buffet, as well as clean up plates and cups in the area.

Stop by the table on the Landing to sign up or ask questions on Sundays, June 2nd, 9th & 16th. If you feel this is a way you can help us reduce our building debt, please sign up after prayerful consideration and checking your calendar.

Together we can make a big difference!

The Journey Class invites you to join them for "MOMENTUM" a 12-week study starting Sunday, June 9th at 9:30 AM in Room 109. This study is designed to challenge the way we perceive how God is working in the world today. By challenging our perception of God's working, we are also challenged with what our role is in his workings. Before the study starts please take a few minutes and download a copy of the ebook study guide from www.momentumyes.com/ebook.

For more information on the study check out www.momentumyes.com or email Tracy White at tlwhite74@gmail.com

Bible Exploration Sunday Morning Study

Have you ever thought, "I wish I knew the Bible better but the people in those Christian Ed classes know so much more than me. I'd feel too self-conscious." Well, consider this your invitation to join the rest of us who feel pretty much the same way!

In the **Bible Exploration Class** (Room 111 @ 9:30) we've started with Genesis 1:1 (In the Beginning . . .) and we're moving through the Book of Genesis to explore the story of, well, the history of the world according to the Bible. We have several members who have an excellent knowledge of the Bible and many more who have a limited knowledge of God's Word. But we focus our attentions on the *story* - not so much about doctrines or specific theology. Quite frankly, it's been a blast so far. No "stupid" questions, we just try to stay close to what the Word of God reveals to us.

Try us out and see if it's a good fit for you. You'll be greeted warmly and we'll do our very best to make you feel at home. Come and see. We believe we have something *very* valuable to share – with YOU!

Our Prayer Room is perfectly situated in the back of our Worship Center for anyone in there to stay fully engaged in the service as well as for a place for prayerful concentration and supplication. That Prayer Room is always there. Maybe it's time to see it used more effectively.

There is a sign-up sheet on the door or the Prayer Room for the month of June — stop by and sign up, or if no one else is signed-up, go on in and start praying! There is a list of suggestions you might use for your prayer time on the table in the Prayer Room.

To share your experience or suggestions, please contact Claudia Wehmann.

Meet Our Elder Candidates

They keep watch over you as men who must give an account. Hebrews 13:17 b

John Fisher

I appreciate the opportunity to be considered for eldership at Fairfield Church of Christ. My family and I have been involved with this local body of believers since 2008. During this time, I have been primarily involved in teaching (ABF classes & Small groups) and serving (mostly Ground & Sound).

I was born in Canton, Ohio but spent most of my life in Fort Smith, Arkansas. I am thankful for teenage friends who invited me to church during my Junior year of High School. I decided to follow Christ in January 1989. Since then, I have been blessed to have attended Ozark Christian College in Joplin, Missouri where I met my wife of 23 years, Sarah. We have 4 children: Torrey (20), Kylie (19), Leah (17) and Johnny (15). Currently, I work at Mercy Hospital Fairfield, training and supporting those who use Mercy's Electronic Medical Records.

My interests include Theology, board games and Judo. My favorite past-time is spending time with friends and family.

Dwayne Stacy

Dwayne was born and raised in Cincinnati. He attended a small one room Church of Christ in West Chester. He earned an undergraduate degree from Miami University, Masters from the University of Dayton and an Education Leadership Doctorate from Americus (Tulane). Dwayne and Sharon have been members of FCC for 25 years. Dwayne previously served the FCC congregation as an elder in the early 2000's. He continues to be active with FCC's Upward Sports Ministry as he has been since it began in 2000; he has served in the student ministry as a 7th/8th grade Sunday School teacher; and has a passion for the theater (especially faith-centered theater) shown by his participation in all the major productions here at the Fairfield Church.

Sharon and Dwayne have been married 31 years and have two adult children. Sharon is a very talented artist and also serves as a coordinator for an organization that services the USTA Tennis Tournament in Mason and the new FC Cincinnati professional soccer team.
